President's Message – Ruth Anne Walsh

Spring at last, Spring at last! That's the good news. And the bad news.....our long-lining demonstration for the April 13th meeting has been cancelled. We were recently informed that our demonstrator had a conflict. We apologize, but it was out of our control.

BUT.... we still feel it is necessary to meet as a group on April 13th, so we will meet at Charlie's on Airport Highway at 7:00 PM. PLEASE try to make this meeting as there is much to discuss. Judy Finkel has arranged a club-only schooling show for May 30th.

And Tammy Hand has been working on our first Ride-A-Test for May 16th. Even though times are tough, we are trying to keep costs low by keeping expenses low.

This means we will need many volunteers.

Also, we want to discuss with the membership a change in our policy. Our treasurer, Linda, has made a list of people who have not yet renewed their membership for this year. We thought we would encourage all to renew their memberships in a timely manner by giving discounts at the shows to members, while charging a little more for non-members. We would like your feedback.

We are still hoping to get a group together to attend the Intercollegiate Dressage Association National Championships in Findlay on April 19th. If you are interested, let me know.

In the meantime, don't forget to schedule the tack sale/swap meet at Centerline Farm on April 25th.
