## OCTOBER 2ND TRAIL RIDE AT OAK OPENINGS.

*Wanted to let you know that there's nine (9) people signed up to ride. So, if you are bringing a snack to share, make it small so we don't have a ton of food. I'll bring water, plates, napkins, plastic ware.*

We plan to start the ride at approximately 11am, but if it's raining at that time, it will be cancelled. Let's hope that the rain misses our area & that we can enjoy a nice fall afternoon together. If you decide that you would like to join us, with or without your horse, at the last minute, please do so. Details are in the email below that was sent to you a few days ago. See you on **Saturday**.

It is black with a relatively flat seat which avoids restricting the rider. It is considered a "General Purpose" dressage saddle and it works well for riders who also do trail riding and enjoy small jumps. It has three widely spaced girth billets with short billet straps and adjustable/removeable knee blocks. ## CALENDAR:

**OCTOBER :2ND - SAT-  
FUN TRAIL RIDE AT  
OAK OPENINGS**

**NOVEMBER - OPEN**

Confirming ... Our fall trail ride is scheduled for Sat, Oct 2 at Jeffer's Riders Center, Oak Openings at 11:00am. We are going to keep this simple, relaxing & fun. The only request we have is that you bring a small snack to share, so we can enjoy visiting with each other & tell horse stories after. It's up to you on how long you would like to ride, but I'm guessing most will ride 1-2 hours. If you are not riding, please join us at any time to visit, enjoy a snack & you too can tell your favorite horse story. To help a little more with the planning, could you let me know if you are riding, or if you are not riding & will join us. Even if you decide to come at the last minute, please don't hesitate to come. There's water for the horses, a restroom for us, picnic tables & a shelter if needed. You may want to bring a chair. I'll bring a two cases of water. See you on Oct 2nd :)
