2007 Scholarship Review

Name: _____

The scholarship year is November 1 to October 31. Reports should be submitted by October 31 to the scholarship committee chairperson. The scholarship is meant to reward members for their leadership, volunteerism, and participation in club meetings and functions. Scholarships are to be used to further a member's education in dressage. One scholarship will be awarded for $200 annually. The same member cannot win the scholarship for two years in a row. The scholarship winner is required to write an article or present at a meeting on how they used the scholarship and what they learned.
