Information for people who are new to the club or have not participated in our clinics or Ride-a-tests.

The Ride-a-test is just that. You bring your horse, warm up (just as you would in a real show) and ride the test. The judge scores your test and at their discretion advises you as to how to more effectively ride. You pay for a 20 minute block of time for \$20.00. You can buy two blocks if time allows. You have ride times just like a real show.

The Carole Grant Clinic. The cost is \$125.00 for about 1 hour. The club will pick up \$25.00 of that cost for members in good standing at the time of the clinic. There will be a small cost to audit this clinic. And a few stalls will be available at an extra cost. This clinic is at Handy Hunter Farm on Monclova Road in Swanton. It will be indoors the arena is 80 x 200. Please get your entry in ASAP.
